

Did you know that it costs between \$1200 - \$1500 to outfit one K9 officer with a Kevlar protective vest?

Hollis Veterinary Hospital is proud to be partnering with the Working Dog Foundation/New Hampshire Police K9 Academy to support providing protective vests for K9 officers.

From June 15th – December 31st a portion of all proceeds will be donated towards the purchase of protective vests for our K9 Police Units.

Please visit www.hollisvet.com & www.nhpolicek9academy.org or our respective Facebook pages for more information.
